

## Handout MENTOR - 2.4 A Problems for the PMI

1.1 - What do you think about the idea of receiving 50 Euro every week as a reward for going to school?

1.2 - After graduation, every young person should work for one year within a "social service", providing community work in hospitals, schools, parks and public spaces, etc.

1.3 - Would it be useful for us to have two more eyes, at the nape of the neck?

1.4 - What do you think about the idea of having all the cars in a single color – yellow ?

1.5 - What do you think about the idea that everybody should wear a badge/banderole indicating the person's mood at the moment?

1.6 - Should every child have an old-aged person "adopted", in order to take care of?

1.7 - What do you think about having week-end prisons for juvenile offenders?

1.8 - Should video-players contain a special chip intended to hinder violent images?

1.9 - Should traffic be forbidden in the center of the cities?

1.10 - What do you think about the idea that instead of barking dogs should be trained to quietly go and push an alarm button?
